The Consortium for a Healthier Miami-Dade, an initiative of the Miami-Dade County Health Department, is pleased to provide you with the 3rd Edition of its *Community Resource Inventory for Healthy Living*. Over 200 community resource listings are included in this guide featuring facilities, programs and services available for the promotion of healthy lifestyles among children, adults and seniors.

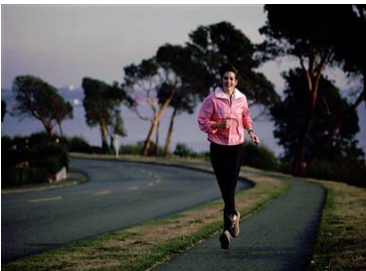

The listings featured in the Community Resource Inventory for Healthy Living 2007 are arranged by the following categories:

- Parks and Recreation
- Community Hospitals and Outpatient Centers
- School Based Programs
- Community Health Centers
- Medical Colleges and Schools of Public Health
- Community Health Department
- Community Health Organizations

Parks, health care centers and school based programs are organized by five geographical areas: Northwest, Northeast, Beach, Kendall/Near South, and Far South Miami-Dade. To locate a resource in your local community or in another part of the county, please refer to the Miami-Dade County Regions Map on the preceding page to find the corresponding region based on your zip code of interest.

It is the aim of the Consortium for a Healthier Miami-Dade and its 40 member organizations that this document can assist you in finding resources available in your community that can help you reach and maintain your healthy living goals.
